

Eureka Equity Partners

is a private equity firm focused on investing in and building niche-market leaders at the lower end of the middle market. Core to our focus is partnering with exceptional management teams to acquire small businesses in industry segments in which Eureka brings significant experience and operating resources.

Investment Focus

Eureka leads buyouts that bring significant ownership to the operators driving the success of the business. With this core principle that aligns the interests of our operators and our investors, Eureka is also experienced and comfortable effecting minority recapitalizations designed to uniquely meet the needs of the company, its management team and other shareholders. Investments within our target industry sectors that fit our mandate include:

- Change-of-control acquisitions to effect management buyouts of interests from inactive or outside shareholders
- Sponsorship of management teams with demonstrated success in one of our industry verticals to identify and acquire a platform with untapped market potential or operational or structural challenges
- Corporate divestitures and carve-outs of non-core businesses or divisions
- Control or non-control investments to facilitate succession planning within family or founder-owned businesses
- Minority-interest equity investments as a capital partner for acquisitions, expansion or to provide liquidity to diversify a founder's interests
